AJUNT AJUNT AJUNT

Mohit Maini aka "Ajunt" is a music producer, live performer and a DJ based currently in Chandigarh, India. With a blend of organic and electronic, his productions and performances are **groovy, organic, immersive and full of energy.**

Over the span of his career, Ajunt has performed all over the world. From **Miami and Phoenix to Berlin, Prague, Amsterdam, The Hague, Barcelona to Goa, Manali** and many more! **Living in Berlin for four years, Ajunt was living, breathing and eating Techno.** Behind the decks or in front of them, dancefloors are a second home for Ajunt.

Previously, known as "Bare & Kind", he performed in the most underground of music scenes and the most exclusive clubs in the world. **From Minimal Techno to Micro House, Hypnotic Techno to Hard,** Ajunt has conquered many a dancefloor. He also has released music on international music labels and various limited press white label Records.

A sound engineer at the core who has worked on sound in R&D projects in Europe, done sound for film and advertisement and art installations. Ajunt brings in all the inspirations and influences of these disciplines into his music and performance, making the experience cinematic. **The dark, texturous and hypnotic sound** that Ajunt has developed has now become his signature, leaving the dancefloor wanting more, **every time.**
